

DEPARTMENT OF PHYSICS & SCIENCE FORUM

2023-24

➤ **Physics Exhibition**

Science Forum and Department of Physics of St. Mary's College organized an exhibition on Tuesday, 29th November, 2023 from 9.00 A M to 3 P M. All the staff members, non-teaching staff, students of our college and students from the neighboring schools observed the different stalls. It includes Physics experiments, models of solar system, rockets, satellites, comets and International Space Station. 3D view of planets is of special interest of the exhibition. Many students from other schools visited us and had clear their doubts and queries about physics and space. In addition to these models, Cartoons, Quotes and Poems related to physics are made. Most of them recorded their opinion that the exhibition was excellent.
