#### ➤ **Poster Presentation on the Life & quotes of Dr. A P J Abdul Kalam**

A journey through the life and quotes of Dr. APJ Abdul Kalam is organized in the open stage from 9.00 AM to 3.15 PM. APJ Abdul Kalam, the ‘missile man’ who came to be known as ‘People’s President’ died on 27 July 2015 after he collapsed during a lecture at the IIM in Shillong. A lifelong scientist, Kalam’s prominent role in India’s 1998 nuclear weapons tests established him as a national hero. As President, Kalam utilised any opportunity that came to him to address students, especially school children, to dream big so that they became achievers in life. The exhibition is arranged to motivate young minds through his life and quotes.
