

State Level FDP Webinar on “Online Teaching methods”

Department of Vocational Studies (B.Voc), St. Mary’s College, Thrissur organized a State Level FDP webinar on the topic “Online Teaching methods” in collaboration with EDUFRAME on 2nd June 2020. The webinar was handled by Mr. Jithu George (Creative Head, EDUFRAMES). The main goal of this webinar is to impart the basic knowledge and practical training required in this field. The topics covered in this webinar are Introduction to Online Teaching, Uses of Different online platforms such as Google Meet, Zoom, how to use Google Class Room, how to conduct Assessments and Exams Online.

The screenshot shows a YouTube video player interface. The main video is a live stream titled "LIVE - FDP on Creative Use of Tools and Methods for Online Teaching". The video player shows a progress bar at 2:14 / 1:17:29. Below the video, the title "LIVE - FDP on Creative Use of Tools and Methods for Online Teaching" and "201 views · Jun 2, 2020" are visible. To the right of the video player is a list of recommended videos, including "Opportunities of value addition in food & dairy processing...", "LEARN OPENCV C++ in 4 HOURS | including 3x Example...", "IEEE Student Member Benefits by Mr. Nandan S. LES institute...", "Introduction to Natural Language Processing", "2000s Tamil Evergreen Love Songs | Yuvan Shankar Raja & R.J Ashok", and "1990s Tamil Evergreen Love Songs | A.R. Rahman SPB Hits...".

The screenshot shows a presentation slide titled "LIVE - FDP on Creative Use of Tools and Methods for Online Teaching" and "COURSE OBJECTIVES". The slide contains two numbered points:

1. One needs to **rise above** the technical and creative challenges posed by online teaching.
2. **The goal** of this workshop is to impart the basic knowledge & practical training required in this field.

The slide also features a small video feed of a man in a white shirt in the top right corner and a vertical list of three grey person icons on the right side.
